

Auxiliary Organizations

1800

The Board shall from time to time form and/or recognize a California Non-Profit Corporation or other entity as an Auxiliary Organization of the District within the meaning of Education Code sections 72670-72682. In order to facilitate that process, the Board shall:

1. After due hearing, adopt a set of Board Regulations generally governing the purpose and operation of such Auxiliary Organizations, and obtain approval of same from the State Chancellor. Upon adoption and approval, a certified copy of said regulations shall be appended to this Board policy, and shall become a part hereof.
2. Describe the respective rights and obligations of the District and each of its Auxiliary Organizations in a Master Agreement between the District and each Auxiliary Organization.

In its execution of this policy, the administration is directed to take all necessary steps to comply with applicable laws, regulations and policies pertaining to the creation, recognition, and governance of Auxiliary Organizations.
