

## **Extension of District Insurance Protection**

---

**3311**

The Board may authorize limited coverage under the District's risk management program for certain individuals and organizations closely identified with the District in their activities for the benefit of the District. Volunteers-of-record according to established procedures and organizations approved by the Board may be protected under limited circumstances as named insured under the District's program for workers' compensation and liability indemnification.

Education Code Section 72506

Labor Code 3364.5

Approved 9/21/81

Amended 8/16/99
