

Furnishing Information Concerning Students

5050

The administration will establish procedures whereby all employees will be informed and reminded regularly that they are not to furnish any personal information concerning a student to any person, agency, or organization, except as provided for in Education Code §76240, or PL 93-380 §438, 20USC§1232g.

The respective campus administrations will develop, disseminate, and implement such regulations, procedures and practices as will effect compliance with the aforementioned statutes.
