1. Probation based on grade point average: A student who attempted at least 18 quarter units, as shown by the official cumulative records, shall be placed on academic probation if he/she has earned a grade point average below 2.0 in all units which were graded on the basis of the grading described in California Administrative Code Title 5 §55758.

Progress Probation

2. Probation based on failure to maintain satisfactory progress: A student who has enrolled in a total of at least 18 quarter units, as shown by the official cumulative record, shall be placed on progress probation when the percentage of all units in which a student has enrolled, and in which a “W,” “I,” and “NP” have been recorded, reaches or exceeds 50 percent (50%).
3. Academic Dismissal: A student on academic or progress probation shall be subject to dismissal if in three consecutive quarters, either or both of the following criteria is applicable:
 - a. Academic Probation: The student’s cumulative grade point average is less than 1.75 in all units attempted in each of five consecutive quarters.

The two probationary criteria described above will be applied in such a manner that a student may be placed on probation under either or both systems, and subsequently may be dismissed under either or both systems.

Foothill and De Anza College will publish in the College Catalog, procedures and conditions for probation and/or dismissal, appeal of probation and/or dismissal, request for removal of probation, and request for reinstatement.
