

## **Health Services**

---

**5090**

Each College shall maintain a health services program that reflects the overall philosophy of the College and is responsive to the needs of its college community, within the confines of this Board policy, state and federal laws, maintenance of effort requirements and available funding.

The primary function of the health services programs at each College is to help strengthen the educational process by facilitating the physical, emotional and social well being of its students and college community members in order to increase each person's potential success at the College. *(see Appendix AP-5090)*

Pursuant to Education Code §76355, all full-time and part-time students shall pay the health fee authorized therein, except the following categories of students are exempted from the health fee required pursuant to subdivision (a):

- (1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- (2) Students who are attending the college under an approved apprenticeship training program.
