

Board Self-Evaluation

9300

The Board is committed to assessing its own performance as a board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board has established the following processes:

The Board shall annually determine the instrument or process to be used in the Board's self-evaluation. The evaluation instrument shall incorporate criteria contained in the Board policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field. The process for evaluation shall be recommended to and approved by the Board. If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit them to the Chancellor. A summary of the evaluations will be presented and discussed at a Board meeting scheduled for that purpose. The results will be used to identify accomplishments in the past year, goals for the following year, and strategic plans for future years.
