Staff

District Police Chief Ron Levine introduced Jim McMahon whose employment as De Anza College Director of Safety and Security would be presented to the board. McMahon has a background in law enforcement and the public sector.

Interim Chancellor Brandy noted the trustees' attendance at the CCLC Legislative Conference on the agenda. Brandy explained that a new board policy on trustee travel is being developed whereby the public is notified when trustees travel out of the area.

Foothill College President Miner reported that winter quarter enrollment is up by about 3% in comparing winter quarter 2009 to the current quarter. Significant shifts involved a downturn in special education offerings due to the severe cuts in state funding. Sections in math and English were added which helped to reduce the number of students on wait lists in those areas.

De Anza College President Murphy reported enrollment figures are up about 1.3 – 1.5%. 10,000 names are on wait lists, of which 585 are in chemistry representing about 70% of the entire enrollment in that department; 1,500 in math; 2,000 in social sciences and humanities; 2,000 in bio/health sciences.

President Miner reported that math instructor Young Hee Park Lee was able to secure a \$5,000 donation from her alma mater, the Korea Advanced Institute of Science and Technology, to help support a summer math show at Foothill. Art instructor Andy Ruble received a \$20,000 fellowship from the Rydell Visual Arts Fellowship. Cal Schrottenboer, part time CTIS faculty attended the Nobel Peace Prize ceremony where he was able to take photos which will be posted on the college's website.

President Murphy expressed deep appreciation to Director of College Services Donna Jones-Dulin and plant services and ETS personnel for the successful replacement of cabling over the holidays. The job required that the campus be shut down for several days. Murphy also announced that football coach Dan Atencio was named coach of the year by the coast league.

Vice Chancellor of Technology Fred Sherman reported that on January 1, 2010 the HR/Payroll module of Banner went live. Sherman explained that this is a very complex migration and

acknowledged Director of Human Resources Kim Chief Elk and Director of Information Systems & Operations Chien Shih and their teams for their work on the project.

Trustees

Trustee Bechtel reported that trustees Barram and Cheng will be attending the CCLC Legislative Conference in Sacramento on January 24-25.

APPROVAL OF CONSENT CALENDAR

Brandy informed the Board that Item 3, De Anza Facility Use Policy, Fees, Process and Procedures, was withdrawn from the agenda and will be presented at a later date.

Regarding Item 10, Trustee Barram questioned the need for a separate company to load test the Banner student system. Vice Chancellor Sherman explained that AppLabs has no relationship with SunGard/Banner and the test will give an indication of how much load the system can effectively handle.

On Item 13, Vice Chancellor of Human Resources Dorene Novotny retracted Randolph Splitter's resignation for purpose of retirement until the next fiscal year.

Both Interim Chancellor Brandy and trustee Bechtel assured trustee Casas Frier that the project lists contained in the Measure C bond allows for \$40,000,000 to be set aside for site acquisition. The MOU would authorize a capital contribution for 2009-10 only; additional capital contributions
