

## **Board Elections**

**2100**

---

The term of each trustee will be four years, commencing on the date of the first Board meeting, typically in December, following certification of the election results. Terms of trustees will be staggered so that, as nearly as practical, one half of the trustees shall be elected at each even numbered year.

Education Code Sections 5000 et seq. and 72036

Approved 6/3/13
