

Vacancies on the Board

2110

Vacancies on the Board may be caused by any of the events specified in Government Code Section 1770 or any applicable provision in the Elections Code, or by a failure to elect. Resignations from the Board shall be governed by Education Code Section 5090. The governing board shall carefully follow Education Code sections 5090-5095 in the event of a vacancy or deferred resignation.

Within 60 days of the vacancy or filing of a deferred resignation, the Board shall either order an election or make a provisional appointment to fill the vacancy. In the event that the governing board fails to make a provisional appointment or order an election within the prescribed 60-day period as required by Education Code Section 5091, the county superintendent of schools shall order an election to fill the vacancy.

If an election is ordered, it shall be scheduled pursuant to Education Code sections 5090-5095.

If a provisional appointment is made, it shall be subject to the conditions in Education Code Section 5091. The person appointed to the position shall hold office only until the next regularly scheduled election for district governing board members, when the election shall be held to fill the vacancy for the remainder of the unexpired term. The provisional appointment will be made by a majority public vote of the Board members at a public meeting.

The Chancellor shall establish administrative procedures to solicit applications that assure ample publicity to and information for prospective candidates. The Board will determine the schedule and appointment process, which may include interviews at a public meeting.
