

## **Committees of the Board**

**2220**

The Board President may on his or her own initiative or by Board authorization appoint *ad hoc* committees of not more than two members for special projects or purposes. Such a special project or purpose may continue more than one year, and the Board committee may continue on without annual reappointment.

The Board may invite citizens appointed by the Board to join with the Board to consider any subject or item of high significance so the Board may obtain a broadened community viewpoint or reaction.

The Board may by action establish committees that it determines are necessary to assist the Board in its responsibilities. Any committee established by Board action shall comply with the requirements of the Brown Act and with these policies regarding open meetings.

Board committees that are composed solely of less than a quorum of members of the Board that are advisory are not required to comply with the Brown Act, or with these policies regarding open meetings, unless they are standing committees.

Board committees that are only advisory have no authority or power to act on behalf of the Board. Findings or recommendations shall be reported to the Board for consideration.

The Board has established the following committee(s):

Audit and Finance Committee – Acts in an advisory role to the Board in carrying out its oversight and legislative responsibilities as they relate to the District’s financial management.
