

Exchange Daily Implementation Meeting Minutes

July 2, 2012

Status updates

Foothill & Retiree migration completed on schedule, post conversion meeting scheduled for July 5, 2012, 2:30-3:30pm at Foothill, D270.

Hidden accounts caused users not to be in address book; Matt has fixed.

Matt has made some progress with single sign-on.

Load Balancer:

- No DNS change yet; switch over Friday, July 6, 2012.
- Test results – system working.
- Waiting for second machine.
- No issues with configuration.
- Need to enable backend, second virtual database – STA.

Decisions and take away items

1. Faculty conversion is July 6, 2012, last conversion group.
2. Jack Raubolt will update Action Items & Issues list and send out Thursday; there is no weekly meeting this week because of July 4th holiday.
 - Jack will send out any critical issues to team leads this week.
