Dear De Anza College users:

You will be converted to the new Outlook/Exchange mail calendar system on Friday, June 22 starting at 3 pm (this Friday).

Here are some of the things you need to be aware of during this conversion:

1. Your old email system will stop working at 3 pm, Friday, June 22, 2012. You will not have access to the mail system during the conversion.
2. We will communicate to you about your conversion status at this link: http://ets.fhda.edu/exchange when we finish the conversion, the status will be changed from In Progress to Complete.
3. Once the conversion is completed, if you have not logged into My Portal this week, you should immediately login to Banner MyPortal, this login action will sync up your Portal ID and password to the new Exchange System.
4. Go to the link: email.fhda.edu and login to the new Outlook/Exchange system, your login ID and password is the same one you use to login to Myportal.
5. If you forget your MyPortal password, follow the link at MyPortal sign in page to reset your password, once you reset your Banner password, your Outlook/exchange password will be reset also.
6. Do not forget to attend the post conversion meeting scheduled for you: Thursday June 28, 2012 10:00 am to 11:00 am - De Anza Conference Room A&B
7. You should continue use Meeting Maker until July 15, 2012 after everyone is converted to the new system.

Thank you!

Chien
