

Notice of Community Meeting

There will be a presentation at De Anza College in Cupertino, CA to present information on its Measure C Program to the public at a community meeting to be held:

Tuesday, May 13, 2008

7 p.m. in Room 115 of the Kirsch Center for Environmental Studies (adjacent to the college's south entrance on McClellan Road)

The Measure C Program contains a series of renovations, small cap and maintenance projects in addition to one new building. This program is based on the De Anza College 2007 Facilities Master Plan that was prepared to provide guidance to future campus development. The addendum environmental impact report associated with this work will also be discussed.

See [http://facilities.fhda.edu/stories/storyReader\\$128](http://facilities.fhda.edu/stories/storyReader$128) for the 2007 Facilities Master Plan and Draft Environmental Impact Report (copies for viewing also available in the campus library)
