DISTRICT DIVERSITY VISION STATEMENT

FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT

DIVERSITY **V**ISION **S**TATEMENT

The Foothill-De Anza Community College District is committed to becoming a model District for the 21st century. We are building upon our rich history of innovation and student success to become a truly democratic, culturally pluralistic organization. All members of our District community understand and respect that our cultural diversity is one of our greatest strengths. The District welcomes and unites people of all ethnicities, genders, sexual orientation, socio-economic classes, religions, abilities and ages and empowers them as individual and as groups.

We believe that culturally diverse teams yield more creative, synergistic and effective outcomes. We are increasingly willing to accept and address the conflict that arises as a normal part of existence in a pluralistic environment in order to work towards acknowledging, addressing and confronting our differences positively. We recognize that we are part of a global community and that this informs our responsibility to our students. We recognize that the development and maintenance of a multicultural district is a journey not a final destination so we are prepared to learn and grow as issues emerge.

Finally we recognize that the attainment of this vision is not only possible, but critical to our viability, to meeting our potential as a District and most importantly, to the success of our students.

Subchapter 1. Equal Employment Opportunity Programs

Article 1. General

§ 53000. Scope and Intent.

(a) This subchapter implements and should be read in conjunction with Government Code sections 11135–11139.5, Education Code sections 66010.2, 66030, and Chapter 4.5 of Part 40 of Title 3, commencing with section 66250; Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq.) and the Age Discrimination Act (42 U.S.C. § 6101). Nothing in this subchapter shall be construed to conflict with or be inconsistent with the provisions of article 1, section 31 of the California Constitution or to authorize conduct that is in conflict with or is inconsistent with such provisions.

(b) The regulations in this subchapter require steps to promote faculty and staff equal employment opportunity which are in addition to and consistent with the nondiscrimination requirements of state or federal law. Therefore, compliance with these regulations or approval of the district's equal employment opportunity plan pursuant to section 53003 does not imply and should not be construed to mean that a district has necessarily complied with its obligations under any other applicable laws or regulations. The Chancellor shall assist districts in identifying other applicable state or federal laws which may affect district equal employment opportunity or nondiscrimination policies.

§ 53001. Definitions.

As used in this subchapter:

(a) Adverse Impact. "Adverse impact" means that a statistical measure (such as those outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures") is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

(b) Business Necessity. "Business necessity" means circumstances which justify an exception to the requirements of section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the district or pose a significant threat to human life or safety. Business necessity requires greater financial cost than does mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

(c) Equal Employment Opportunity. "Equal employment opportunity" means that all qualified individuals have a full and fair opportunity

to compete for hiring and promotion and to enjoy the benefits of employment with the district. Equal employment opportunity should exist at all levels and in all job categories listed in section 53004(a). Ensuring equal employment opportunity also involves creating an environment which fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by this subchapter.

- (d) Equal Employment Opportunity Plan. An "equal employment opportunity plan" is a written document in which a district's work force is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.
- (e) Equal Employment Opportunity Programs. "Equal employment opportunity programs" means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of section 53006.
- (f)(1) Ethnic Minorities. "Ethnic minorities" means American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.
- (2) Ethnic Group Identification. "Ethnic group identification" means an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal
- (g) Goals for Persons with Disabilities. "Goals for persons with disabilities" means a statement that the district will strive to attract and hire additional qualified persons with a disability in order to achieve the level of projected representation for that group by a target date established by taking into account the expected turnover in the work force and the availability of persons with disabilities who are qualified to perform a particular job. Goals are not "quotas" or rigid proportions.
- (h) In-house or Promotional Only Hiring. "In-house or promotional only" hiring means that only existing district employees are allowed to apply for a position.
- (i) Monitored Group. "Monitored group" means those groups identified in section 53004(b) for which monitoring and reporting is required pursuant to section 53004(a).
- (j) Person with a Disability. "Person with a disability" means any person who (1) has a physical or mental impairment as defined in Government Code section 12926 which limits one or more of such person's major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.
- (k) Projected Representation. "Projected representation" means the percentage of persons from a monitored group determined by the Chancellor to be available and qualified to perform the work in question.
- (1) Reasonable Accommodation. "Reasonable accommodation" means the efforts made on the part of the district to remove artificial or real barriers which prevent or limit the employment and upward mobility of persons with disabilities. "Reasonable accommodations" may include the items designated in section 53025.
- (m) Screening or Selection Procedure. "Screening or selection procedure" means any measure, combination of measures, or procedure used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to, traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.
- (n) Significantly Underrepresented Group. "Significantly underrepresented group" means any monitored group for which the percentage of persons from that group employed by the district in any job category listed in section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

- (o) Target Date. "Target date" means a point in time by which the district plans to meet an established goal for persons with disabilities and thereby achieve projected representation in a particular job category.
- (p) Timetable. "Timetable" means a set of specific annual hiring objectives that will lead to meeting a goal for persons with a disability by a projected target date.

Each district shall annually report to the Chancellor, in a manner prescribed by the Chancellor, the results of its annual survey of employees at each college in the district. Each employee shall be reported so that he or she may be identified as belonging to one of the following seven job categories:

§ 53006. Additional Steps to Ensure Equal Employment Opportunity.

- (a) If a district determines that a particular monitored group is significantly underrepresented with respect to one or more job categories, the district shall take additional steps consistent with this section. At a minimum, the district shall:
- (1) review its recruitment procedures and identify and implement any additional measures which might reasonably be expected to attract candidates from the significantly underrepresented group;
- (2) consider various other means of reducing the underrepresentation which do not involve taking monitored group status into account, and implement any such techniques which are determined to be feasible and potentially effective;
- (3) determine whether the group is still significantly underrepresented in the category or categories in question after the measures described in (1) and (2) have been in place a reasonable period of time; and
- (4) if significant underrepresentation persists, the staffing rate for the significantly underrepresented group in the specified job category or categories shall be monitored on an ongoing basis until the projected representation has been achieved for that group in the category or categories in question.
- (b) If a reasonable period of time passes and significant underrepresentation persists for a particular group in the job category in question, the district shall:
- (1) review each locally established "required," "desired" or "preferred" qualification being used to screen applicants for positions in the job category to determine if it is job—related and consistent with business necessity through a process meeting the requirements of federal law or is among those qualifications which the Board of Governors has found to be job—related and consistent with business necessity throughout the community college system;
- (2) discontinue the use of any locally established qualification that has not been found to satisfy the requirements set forth in paragraph (1) of this subdivision; and
- (3) continue using qualification standards meeting the requirements of paragraph (1) only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of paragraph (1) and be expected to have a less exclusionary effect.
- (c) For purposes of this section, "a reasonable period of time" means three years, or such longer period as the Chancellor may approve, upon

the request of the equal employment opportunity advisory committee and the chief executive officer, where the district has not filled enough positions to appreciably affect its work force in the job category in question.

(d) Nothing in this subchapter shall be construed to prohibit a district from taking any other steps it concludes are necessary to ensure equal employment opportunity, provided that such actions are consistent with the requirements of federal and state constitutional and statutory nondiscrimination law.

Article 2. Other Specific Responsibilities of Community College Districts

§ 53020. Responsibility; Delegation of Authority; Complaints.

- (a) The governing board of each community college district is ultimately responsible for proper implementation of this subchapter at all levels of district and college operation and for making measurable progress toward equal employment opportunity by the methods described in the district's equal employment opportunity plan. In carrying out this responsibility, the governing board, upon the recommendation of the chief executive officer, shall ensure that an equal employment opportunity officer is designated to oversee the day—to—day implementation of the requirements set forth in this subchapter.
- (b) The administrative structure created by any delegation of authority to the equal employment opportunity officer or others shall be described in the district's equal employment opportunity plan submitted pursuant to section 53003 and shall be designed in such a manner so as to ensure prompt and effective implementation of the requirements of this subchapter. § 53023. Applicant Pool.

- (a) The application for employment shall afford each applicant an opportunity to voluntarily identify his or her gender, ethnic group identification and, if applicable, his or her disability. This information shall be kept confidential and shall be used only in research, validation, monitoring, evaluating the effectiveness of the district's equal employment opportunity program, or any other purpose specifically authorized in this subchapter, or by any applicable statute or regulation.
- (b) After the application deadline has passed, the composition of the initial applicant pool shall be analyzed to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures. If necessary, the application deadline shall be extended and additional recruitment shall be conducted that eliminates discriminatory recruitment procedures and ensures that recruitment efforts provide a full and fair opportunity for participation to a wide diversity of potential applicants. When recruitment efforts have offered an opportunity for participation to a wide diversity of potential applicants or further recruitment efforts would be futile, applications shall be screened to determine which candidates satisfy job specifications set forth in the job announcement.
- (c) Before the selection process continues, the composition of the qualified applicant pool shall be analyzed to ensure that no monitored group is adversely impacted pursuant to section 53001(a). If adverse impact is found to exist, the chief executive officer or his or her designee shall take effective steps to address the adverse impact before the selection process continues. Such steps may include, but are not limited to:

- (1) extending the deadline and undertaking inclusive outreach efforts to ensure that members of the adversely impacted group have equal opportunity to seek employment with the district;
- (2) including all applicants who were screened out on the basis of any locally established qualifications beyond state minimum qualifications which have not been specifically demonstrated to be job—related and consistent with business necessity through a process meeting the requirements of federal law or which are not among those which the Board of Governors has found to be job—related and consistent with business necessity throughout the community college system.
- (d) If adverse impact persists after taking steps required under subdivision (c), the selection process may proceed only if:
- (1) the job announcement does not require qualifications beyond the statewide minimum qualifications; or
- (2) locally established qualifications beyond state minimum qualifications, if any, are demonstrated to be job—related and consistent with business necessity through a process meeting the requirements of federal law and suitable alternative selection procedures to reduce the adverse impact were unavailable; or
- (3) the particular qualification beyond statewide minimum qualifications which are used in the job announcement are among those which the Board of Governors has found to be job—related and consistent with business necessity throughout the community college system.
- (e) The district may not advertise or utilize in future hiring processes for the same position or a substantially similar position any locally established qualifications beyond state minimum qualifications that the district was unable to verify under subsection (b)(2) unless such qualifications are so verified in advance of commencing any such future hiring process.

§ 53024. Screening or Selection Procedures.

- (a) All screening or selection techniques, including the procedure for developing interview questions, and the selection process as a whole, shall be:
 - (1) provided to the Chancellor upon request;
- (2) designed to ensure that for faculty and administrative positions, meaningful consideration is given to the extent to which applicants demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students;
 - (3) based solely on job-related criteria; and
- (4) designed to avoid an adverse impact, as defined in section 53001(a), and monitored by means consistent with this section to detect and address any adverse impact which does occur for any monitored group.
- (b) If monitoring pursuant to subsection (a)(4) reveals that any selection technique or procedure has adversely impacted any such group, the chief executive officer or his/her designee shall suspend the selection process and timely and effective steps shall be taken to remedy the problem before the selection process resumes. The equal employment opportunity officer, or other official charged with responsibility for monitoring selection procedures, may assist the screening committee by discussing the overall composition of the applicant pool and the screening criteria or procedures which have produced an adverse impact, provided that confidential information about individual candidates is not disclosed. If

adverse impact results from locally established qualifications beyond state minimum qualifications that have not been verified as described in section 53023(c)(2) or replaced with suitable alternatives having a lesser adverse impact, the use of such qualifications shall be immediately discontinued and any applicant eliminated on the basis of that qualification shall be continued in the hiring process. Where necessary, the position may be re–opened at any time and a new selection process initiated in a way designed to avoid adverse impact.

(c) A district may not designate or set aside particular positions to be filled by members of any group defined in terms of ethnic group identifi-

cation, race, color, national origin, religion, age, gender, disability, ancestry or sexual orientation, or engage in any other practice which would result in discriminatory or preferential treatment prohibited by state or federal law. Nor may a district apply the district's equal employment opportunity plan in a rigid manner which has the purpose or effect of so discriminating.

(d) Seniority or length of service may be taken into consideration only to the extent it is job related, is not the sole criterion, and is included in the job announcement consistent with the requirements of section 53022.

CALIFORNIA CODES EDUCATION CODE SECTION 87100-87108

87100.

The Legislature finds and declares all of the following:

- (a) In fulfilling its mission within California's system of public higher **education**, the California Community Colleges are committed to academic excellence and to providing all students with the opportunity to succeed in their chosen educational pursuits.
- (b) Academic excellence can best be sustained in a climate of acceptance and with the inclusion of persons from a wide variety of backgrounds and preparations to provide service to an increasingly diverse student population.
- (c) A workforce that is continually responsive to the needs of a diverse student population may be achieved by ensuring that all persons receive an equal opportunity to compete for employment and promotion within the community college districts and by eliminating barriers to equal employment opportunity.

Every aspect of personnel policy and practice in the community college districts should advance the realization of inclusion through a continuing program of equal employment opportunity.
- (e) The Legislature recognizes that it is not enough to proclaim that community college districts must not discriminate and must not grant preferential treatment on impermissible bases. The Legislature declares that efforts must also be made to build a community in which nondiscrimination and equal opportunity are realized. It is the intent of the Legislature to require community college districts to adopt and implement programs and plans for ensuring equal employment opportunity in their employment practices.

DISTRICT BOARD POLICIES

The Foothill-De Anza Community College District Board of Trustees values the contributions that a culturally diverse community of faculty, staff, and administrators makes to all the students who study at Foothill and De Anza Colleges. The Board of Trustees desires for students and for all district employees an environment where diverse cultures, abilities, and needs are respected and where difference offers stimulating opportunities for learning and personal fulfillment. Therefore, the Board commits itself to develop policies and procedures and to act in such ways as to encourage a positive, harmonious work and learning environment.

With the intent to realize its commitments, the Board of Trustees supports equality in employment and educational opportunity. The Board believes that effective recruitment and hiring of a diverse faculty and staff and a vigorous outreach effort to recruit a similarly diverse student population are, along with appropriate support services, important means to cultural diversification of the college community and to the enrollment, retention, and transfer of all students.

The Board expressly solicits the cooperation of all district staff in providing an environment conducive to open discussion and free of intimidation, harassment, and unlawful discrimination. Through the cooperation and with the assistance of all district staff, the Board of Trustees assures all employees and applicants equal opportunity for employment and promotion--regardless of race, color, sex, religion, national origin, age, disability, status as Vietnam-era veterans, marital status or sexual orientation.

The Board directs the Chancellor and the college presidents to assume responsibility for implementing and communicating the Board's policy and commitment. Every department, division, or organizational unit head shall be responsible for the proper and effective implementation of the District Cultural Diversity/Equal Opportunity Policy. The Board requires that the district administrative staff and all agents acting on the Board's behalf make every effort to ensure that the recruitment, screening, selection, hiring, and promotional processes for all employment positions are in accordance with the principles of equal opportunity. Additionally, in keeping with support for student success, the Board directs that the principles and spirit of this Cultural Diversity/Equal Opportunity Policy be applied to student admissions and enrollment, financial aid, transfer, curriculum, and faculty and staff development.

In compliance with this Board policy and consistent with the regulations embodied in California and Federal Equal Opportunity legislation, the Board directs the staff to develop and to periodically update a Cultural Diversity/Equal Opportunity Plan. In this plan there shall be procedures to insure that there is strict compliance with the Board approved goals and all other aspects of the plan developed by District faculty, staff, and administrators.

Applications

Employment Services accepts applications and supplemental materials until 4:30 PM on the closing date.

If necessary, the application closing date shall be extended and additional recruitment shall be conducted. (A "monitored group" means those groups identified by state and federal regulations for which monitoring and reporting are required.) After the pool is approved, Employment Services shall forward all complete applications to the Search Committee for screening.

Each member of the Committee documents the interview in a format agreed upon by the Committee.

After interviews are completed members of the Search Committee discuss and evaluate the qualifications of the candidates including how candidates will meet the needs of a diverse student population.

- · Review the applicant pool to ensure that qualified applicants have not been overlooked;
- · If applicable, request to have any additional complete applications that have been submitted since the first review date forwarded for screening;
- · Request that Employment Services contact applicants with incomplete applications to request the missing application materials; or
- · Extend or re-open the search.

The Search Committee identifies two or more candidates to meet with the Selection Committee for further assessment.

After the pool is approved, all complete applications will be forwarded to the Search Committee for screening.

- 1. Greet the candidate and escort him/her into the room.
- 2. Introduce the candidate to the committee and follow with committee introductions (either chair or self-introductions). Remember that handshaking may or may not be a comfortable exercise given the room layout or the candidate's cultural background. Conclusions about a candidate related to this ritual greeting should be avoided.
- 3. Ask the candidate to be seated.
- 4. Explain the format of the interview indicating:
 - a. The maximum time allotted for questions/answers; reference (if so, they may not be removed from the room);
 - b. That these are questions given to all candidates but that the candidate should feel free to elaborate if it would be helpful to the committee and that committee members may ask follow-up questions;
 - c. That following (or prior to) the interview, the candidate will be asked to perform a teaching or other demonstration.
- 5. Following or prior to the interview, escort the candidate to the demonstration area, indicating the location of the available materials.
- 6. Indicate the maximum time allotted for the demonstration/exercise.
- 7. Following the demonstration/exercise, escort the candidate back to interview site.
- 8. Ask concluding questions, e.g. do you have anything to add or questions of us?
- 9. Upon conclusion:
 - a. Thank the candidate for coming.
 - b. Indicate the committee's time frame for making its recommendations to the next decision-maker in the process.
 - c. Make sure that the candidate has not left his/her materials behind or inadvertently picked up the copy of the questions.
 - d. Ask if the candidate needs directions or assistance to return to his/her vehicle.

SECTION VIII REFERENCE CHECKING

REFERENCE CHECKING GUIDELINES

Purpose: To validate claims made by candidates as well as perceptions of committee members regarding the candidate's <u>job-related qualifications</u>.

- 1. Reference checking may be done by members of the Search Committee who will share the information with the Selection Committee only or it may be done by the Selection Committee.
- 2. References should be checked on all candidates selected as finalists.
- 3. Reference checkers should agree upon who is to be contacted and which checker is responsible for which contacts. This is particularly important if references other than those listed by the applicant are to be contacted. One strategy might be for Checker 1 to contact the Department Chair/Supervisor at the most recent place of employment, Checker 2 might contact only listed references, Checker 3 might contact a supervisor at a previous place of employment, etc. This approach reduces the workload to a manageable level and decreases the likelihood of overlapping contacts.
- 4. When contacting the reference, identify yourself and your reason for calling. Confirm that the person is willing to respond to your questions or if there is a better time to call. Assure the respondent that the information will remain confidential.
- 5. If a person is unwilling or unable to respond, ask if there is someone else who might be able to answer questions about the candidate.
- 6. Ask the same generic questions for all candidates. Follow-up questions related to a specific response made by a candidate in the application materials or interview process are encouraged.
- 7. Make sure that questions are written, open-ended and probe only job-related criteria.
- 8. Take notes.
- 9. Confirm any potentially negative findings by making follow up calls to other sources before reporting such findings.
- 10. Remember that information revealed as part of the reference checking procedure is, as a part of the hiring process, confidential and is to be shared only with those who are a part of the selection process.

CHECKING WORK REFERENCES

It becomes more and more difficult to obtain references on potential employees. Many employers hesitate to be candid in giving references because such candor can result in lawsuits by the ex-employee. On the other hand, an outright lie to the prospective employer can also precipitate legal action if the employee were to cause damage to the new employer. Therefore, you must give and solicit references very carefully. If you take the time to do so prudently, you can gain valuable information in the hiring process.

The same legal restrictions apply to reference checking as apply to interviewing - you cannot probe into such potentially discriminatory factors as marital status, age, disability, religion, and national origin. Confidentiality is always a must.

Prior to contacting the reference, make a list of questions that you will ask or use the Reference Check Format and identify the key concepts you will be listening for in the response. Certain questions may be tailored to fit a particular applicant. If several committee members are making reference calls, agree on the job-related questions before the calls are made.

When you make a call, identify yourself and the position you hold. Tell the caller that the applicant has applied for position x at De Anza/Foothill College and provide a brief description of the faculty assignment. Call a person who has been a direct supervisor of the applicant or a colleague/peer who has knowledge of the applicant's professional work experience. Do not attempt to get information secondhand. Assure the contact that you will keep your discussion confidential. Ask if they are free to discuss the applicant. If not, make arrangements to call back at a more convenient time. Offer to have them call you back if you sense the person doubts the legitimacy of your call.

Try to establish rapport. Many times a free exchange of information occurs when the individual you are calling identifies with your position, department, campus, or some other mutual point of interest. Tell the person about the position you are filling so that an evaluation can be made in relation to the specific job.

Start with the obvious. Verify dates of employment and type of work done. These are easy to answer, so there is no pressure on the respondent. Then proceed with more revealing questions. Let them talk freely. Follow up and probe for additional information if you sense the contact is reluctant to discuss certain factors. Be alert for obvious pauses.

Be sure to cover all the questions on your list. Don't hang up until you are sure that you know the opinion of the person called. Frequently you will receive ambiguous answers.

The person called may give very little useful information. One technique that often works is to summarize the conversation by making either of the following statements:

"I take it that you don't recommend the applicant for this position"; or

"I take it that you highly recommend the applicant for this position."

One poor recommendation should not automatically disqualify an applicant. Keep digging. Always check more than one reference. Quiz the other references on the points made by the negative reference but be careful not to identify the other reference.

Note on Giving References

When asked for a reference on a current or former employee, limit the information you give to actual inquiries and to job-related data. Make only factual statements about job performance and responsibilities that you have directly observed. Try not to speculate on how someone may function in a new job. Do not discuss personal, family, and other non-relevant factors.

When dealing with subjective areas, such as quality of work performance and professional competency, preface your remarks with qualifiers such as "in my opinion."

If you don't know the answer, say so. Be sure that the information in the reference you give is not motivated by personal animosity; that it is factual and accurate. You can be protected from libel suits if you are acting within the scope of your duties, if the reference is made in "good faith" to someone with a legitimate need to know, if it is based on fact, and if it is balanced.

SECTION IX

EQUIVALENCY POLICY AND PROCEDURES

EQUIVALENCY POLICY AND PROCEDURES

POLICY

In accordance with Education Code Section 87359 and Section 53430 of the California Code of Regulations, Title 5, the Foothill-De Anza Community College District may grant equivalency to the minimum qualifications of a degree and/or experience required for a position to those applicants who provide conclusive evidence of equivalency to the minimum qualifications. Equivalency for degree requirements is based on conclusive evidence that an applicant possesses the general education and the major course work required for the required degree or clear and verifiable eminence in the discipline. Equivalency for required experience is based on conclusive evidence of mastery of the skills of the vocation for the specific assignment as well as for other courses in the discipline and extensive and diverse knowledge of the working environment of the vocation.

PROCEDURE

Committee

Each college will establish an Equivalency Committee as follows:

- The De Anza Equivalency Committee will include the Vice President of Instruction or designee, the President of the Academic Senate or designee, and at least one discipline expert from the department/division/program in which the position exists.
- The Foothill Equivalency Committee will include the Dean of Faculty and Staff or designee, the President of the Academic Senate or designee, and at least one discipline expert from the department/division/program in which the position exists.

In no case shall a person who serves on the Search Committee or who is recommending equivalency also serve on the Equivalency Committee. If a discipline expert is not available from the division/department/program, a discipline expert from the other college or from another college, university, or the community may be asked to serve on the committee. Equivalency granted by either committee is acceptable throughout the District.

Criteria

Granting equivalency to minimum qualifications is based on the same criteria, documentation, and committee deliberation for all faculty positions: full-time, part-time, leave replacement, and grant/special funded positions.

For disciplines normally requiring a master's degree, equivalency may be granted on the basis of any of the following:

- a. Completion of the master's degree from an accredited institution in the discipline under a different name;
- b. Completion of the course work and academic requirements (such as a thesis or practicum) for the master's degree from accredited institutions in the discipline without the award of the degree;
- c. Completion of a bachelor's degree from an accredited institution and not less than 30 graduate units (48 quarter units) of appropriate and relevant course work from accredited institutions if the course work equals a master's degree in the discipline in breadth, depth, and rigor;
- d. Completion of a bachelor's degree from an accredited institution plus additional appropriate and relevant graduate course work from accredited institutions and verifiable experience in the discipline which would require knowledge of the discipline equal to the level required in the minimum qualifications; and
- e. Clear and verifiable eminence in the discipline acknowledged by written statements by experts in the discipline and/or evidenced by the production of tangible products (such as published works or invited presentations to discipline related professional organizations) that would require a depth and breadth of knowledge in the discipline comparable to the degree level work.

For disciplines in which the master's degree is not generally expected or available, the criteria shall be any of the following:

- a. Six years of documented experience in the discipline and 60 undergraduate semester units (90 quarter units) from accredited institutions comparable to the breadth and depth of coursework equal to an associate's degree;
- b. Two years of documented experience in the discipline, and 120 undergraduate semester units (180 quarter units) from accredited institutions:
- c. Six years of documented experience in the discipline and undergraduate course work from accredited institutions where the combination of course work and additional experience equals the associate's degree in breadth, depth and rigor; and

d. Clear and verifiable eminence in the discipline acknowledged by written statements by experts in the discipline and/or evidenced by the production of tangible products that would require a depth and breadth of knowledge comparable to the minimum qualifications.

PROCESS

Applicants

The position announcement will provide for the presentation of qualifications equivalent to the minimum qualifications.

Applicants who believe that they possess qualifications equivalent to the minimum qualifications for a position and wish to request that a determination of equivalency be made in a specific discipline must complete a District Request for Equivalency form and provide supporting documentation as appropriate. Applicants for both full time and part time positions are notified of the opportunity to apply for an equivalency at the time of application.

It is the applicant's responsibility to complete the form and provide documentation. Search committees will not seek additional documentation. Applicants who do not meet the minimum qualifications and who have not completed a <u>Request for Equivalency</u> will not be considered for employment.

The <u>Request for Equivalency</u> and supporting documentation are submitted with the application form to Employment Services.

If, after reviewing the <u>Request for Equivalency</u> and supporting documentation the search committee agrees that the applicant appears to possess qualifications that are equivalent to the minimum qualifications for the position, the application and supporting documentation will be forwarded to the Equivalency Committee for a determination.

The Equivalency Committee reviews the equivalency request and returns the application and supporting documentation to the search committee with a determination.

If an applicant is approved and subsequently hired to fill a position, the documents and experience that support the equivalency must be verified just as minimum qualifications for other new faculty are verified via transcripts and employment verification letters.

Employees

Employees seeking an equivalency must complete a <u>Request for Equivalency</u> form and provide supporting documentation as appropriate. It is the employee's responsibility to complete the form, provide documentation, and forward the information to the Chair of the Equivalency Committee.

The Equivalency Committee reviews the equivalency request and notifies the employee and the appropriate administrator of its determination.

OTHER PROVISIONS

Equivalency is granted on a District-wide basis.

Equivalency is granted for a discipline and not for a specific course within a discipline.

All deliberations of the Equivalency Committee and all records involved in the proceedings shall be confidential.

A determination of equivalency does not guarantee an interview, employment, or reassignment. The determination of equivalency establishes that the individual meets the minimum qualifications for the position and does not bestow rights to any position or process.

The granting of an equivalency is on a case-by-case basis and does not establish precedent for future applicants.

Equivalency shall not be granted on a "contingency" or "emergency" basis pending additional review or receipt of documentation for any reason.

Teaching experience is not equivalent to experience in the discipline.

SECTION X

PART-TIME FACULTY EMPLOYMENT POLICY AND HIRING PROCEDURES

FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT

PART-TIME FACULTY

EMPLOYMENT POLICY AND HIRING PROCEDURES

The Foothill-De Anza Community College District seeks a qualified and diverse faculty and staff dedicated to student success. The District is committed to an open and inclusive hiring process that seeks diversity and provides equal consideration and opportunities for all qualified candidates. The goal of every hiring process is to select the qualified candidate who best meets the needs of our students.

Part-time faculty are essential to the teaching and learning process at Foothill-De Anza. Further, part-time faculty are frequently the applicants for contract positions in the District. It is critical to focus efforts toward the hiring of part-time faculty where equal opportunity is no less important an issue to consider. The part-time faculty hiring procedures are designed to create pools of qualified applicants who will contribute to educational excellence and student success.

Efforts aimed at recruiting and hiring part-time faculty must be similar to if not the same as that put forth when the opportunity arises to hire a contract faculty member. Division and department members are encouraged to participate in the recruitment and hiring of a qualified and diverse part-time faculty.

Recruitment

Each division/department will identify subject areas for which additional part-time faculty may be needed. The division will forward a list of part-time teaching opportunities for new hires to Employment Services.

When no qualified pool exists, Employment Services will advertise for part-time faculty positions to provide equal opportunities to a wide range of qualified applicants. Employment Services will review the composition of part-time faculty pools to ensure that any failure to obtain broad representation is not due to discriminatory recruitment procedures.

Applicants who contact the division/department directly should be referred to Employment Services to complete the Hiring Process or mailed an application form by the Division. All application materials are returned to Employment Services.

Position Announcement

Upon notification by the Division/Department, Employment Services will develop a position announcement for each pool. Each position will require:

- a. Sensitivity to, and understanding of, the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students; and
- b. Minimum qualifications as established by the Statewide Academic Senate and adopted by the Board of Governors of the California Community Colleges plus any additional qualifications established by the department/program in accordance with the Foothill-De Anza Community College District policy on Minimum Qualifications, Equivalency, and Local Qualifications approved by the Board of Trustees on June 18, 1990.

The days and hours of available assignments will be listed when known.

Application/Selection Process

- All applicants must complete a District Part-Time Faculty application form, and submit a resume and transcripts. Unofficial transcripts are accepted for purposes of review.
- Employment Services will forward all applications to the division/department when requested. When there is a need at both colleges, copies of applications will be forwarded to each college. Employment Services will monitor the applicant pool by discipline on a quarterly basis to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures.
- The Division Dean or designee and at least one full-time tenured or tenure-track faculty member will screen and review all applications giving full consideration to the special needs of the division/department/program and the student population to be served.
- The faculty member should be from the appropriate discipline whenever possible. The Dean and the faculty member shall have received training in equal opportunity employment before beginning the hiring process. The Division Dean or designee and the faculty member will interview the qualified applicants who meet the needs of the division/department/program and the needs of a diverse student population.

- Each applicant interviewed must submit evidence of qualifications.
- Each applicant interviewed should be required to demonstrate teaching, counseling, or librarianship skills. The demonstration should reflect the candidate's ability to meet the needs of a diverse student population.
- · Candidates seeking equivalency will be forwarded to the appropriate Equivalency Committee for action. Candidates who are deemed to possess equivalent qualifications will be included in the part-time faculty pool.
- Candidates selected for part-time faculty positions will be mailed a "Notification and Acceptance of Assignment" letter.
- · Candidates not immediately selected to teach, will be entered into a part-time faculty candidate database for use by each college. Applications remain on file for two (2) years.

Emergency Hires

In the case of an unexpected need at the start of a quarter when there are no qualified candidates, a Division Dean or designee may search outside of the pool to fill a class for one (1) quarter only. Such selections must meet the minimum qualifications or equivalent as outlined in District policy. Candidates must be interviewed by the Division Dean or designee and whenever possible a tenured or tenure-track faculty member in the discipline.

Part-time faculty hired through this emergency process must complete an application form and provide a resume and copies of transcripts prior to the first day of class. Unofficial transcripts will be accepted until official transcripts are received.

Emergency Hire candidates must reapply in order to be hired for subsequent quarters of teaching.

SECTION XI

GUIDELINES FOR TEMPORARY REPLACEMENTS

GUIDELINES FOR TEMPORARY REPLACEMENTS

These Guidelines are to clarify the policies and procedures used to fill vacancies on a temporary basis and to fill positions of employees who are on an extended leave. Note that there are distinct requirements that apply to vacant positions as opposed to positions of employees on leave. These requirements are not interchangeable. Temporary replacements may be hired for vacant positions and in some exceptional cases, for positions whose incumbents may be on extended leave (usually one year).

ADMINISTRATIVE POSITIONS

1. <u>Vacant Positions/Interim Appointments</u>

Vacant **administrative positions** may be filled via interim appointments in accordance with Title 5 regulations.

Title 5 regulations (Section 53021) require community colleges to actively recruit to attract qualified applicants for all new openings. The regulations prohibit "in house or promotional only" recruitment to fill a position except when "the position is being filled on an interim basis for the minimum time necessary to allow for full and open recruitment...provided that no interim appointment...exceeds one year in duration." If these requirements are met, the regulations require that "all qualified district employees...be afforded the opportunity to apply."

Title 5 clearly states "that no interim appointment or series of interim appointments [may] exceed one year in duration. Therefore, it is critical to begin the search for the permanent replacement as quickly as possible.

Procedure for Interim Appointments

- a. The appropriate administrator notifies Employment Services to create a position announcement for review.
- b. The administrator reviews the announcement and seeks appropriate campus approvals.
- c. Employment Services sends a position announcement to each contract employee in the District. (Part-time faculty, short term, temporary, or student employees are not eligible). Since the recruitment is internal, the application period is short usually about two (2) weeks.
- d. A Search Committee develops screening criteria and interview questions and reviews all applications to determine interviews for the interim

- position. A committee may decide to interview everyone who applies since the pools are usually small.
- e. After interviews, the Committee makes a recommendation to the appropriate administrators.
- f. Appointments require Board approval.

2. <u>Out-Of-Classification Assignments</u>

An administrative position may be filled by assigning a contract employee to work out-of-classification to assume a portion of the duties of the vacant position. Out-of-classification assignments end when the position is filled.

Procedure for Out-of-Classification Assignments

- a. Discuss change in assignment with employee who will work out of classification.
- b. Determine appropriate salary adjustment. Depending on the agreement with the employee's bargaining unit, working out-of-classification requires a salary adjustment to at least the minimum of the pay grade to which the employee is assigned or one step higher, or a 5% increase. Consult with Human Resources to determine the appropriate salary adjustment.
- c. Complete a Contract Change Form and secure appropriate signatures.

3. Reassignment

Administrative responsibilities may be reassigned to another administrator while a position is vacant, in accordance with Chapter III of the Administrators Handbook.

Procedures for Reassignment

- a. Discuss change in assignment with administrator. Determine specific scope of responsibilities.
- b. Determine appropriate salary adjustment, if any.
- c. Complete a Contract Change Form.

4. Professional Services Contract

Title 5 allows interim appointments of individuals not currently employed by the District who are specially trained, experienced, and competent to provide administrative services, and who meet the minimum qualifications for the

position. Such individuals are employed through a professional services contract for no more than one (1) year.

5. <u>Funding</u>

Interim appointments are usually funded out of float money. Use of float money must be approved by the appropriate administrator (President or Chancellor) at the time of approval to fill the position on an interim basis.

FACULTY POSITIONS

Vacant **faculty positions** are filled by part-time faculty while the positions are in the search and selection process. There are no interim appointments for vacant faculty positions. However, on occasion, the District may employ a temporary replacement for a faculty member on leave.

1. Temporary Replacements/Leave Positions

Full-time faculty who are on leave are replaced with part-time faculty. However, there may be unusual and/or extenuating circumstances that warrant consideration of a full-time temporary replacement. Some examples are: 1) an unexpected long term illness in a department where one or more employees are already on approved leaves; 2) an unusually high number of employees on leave at the same time which will have a clear negative impact on student learning; and 3) critical/technical and/or specialized program needs for which there are no qualified part-time faculty or staff available.

Temporary leave replacements must be approved on a case-by-case basis by the President and the Chancellor.

Procedure to fill a faculty leave replacement

a. Approval:

The appropriate administrator must secure approval from the President, who seeks approval from the Chancellor. The documentation must include the following:

· An explanation of the critical need;

- Documentation that students and the program, division, and college will be adversely affected without a replacement; and
- The consequences of not replacing the position.

b. Recruitment:

Even though leave replacement positions are not "new positions" as defined in Title 5, when such replacements are known and approved in advance the approved employment process including full recruitment must be followed. That is, a full search of both internal and external applicants to include outreach to historically underrepresented groups must be conducted to select a qualified applicant who best meets the needs of the students.

If the need for a leave replacement is unexpected and an emergency replacement is required, a full search may not be required if a qualified individual is identified. This may be a current employee including a part-time faculty member, or an applicant who has completed a formal search process for a similar position. Any individual selected must submit appropriate documentation (transcripts and resume) and meet minimum qualifications.

c. Limits on Employment:

Faculty appointments to temporary contracts are filled in accordance with Education Code Sections 87481 and 87482.

Section 87481 states:

"Any person employed for one complete school year...shall if reemployed for the following school year in a vacant faculty position, be classified...as a contract employee and the previous year's employment as a temporary employee shall be deemed a year of employment as a contract employee for purposes of acquiring permanent status."

Section 87482 states:

"No person shall be so employed...for more than two semesters or three quarters within any period of three consecutive years."

In effect, should a person be subsequently employed in the position, the employee would be a second year tenure track employee. In any case, an employee hired as a full-time temporary contract replacement should be evaluated during the contract year.

d. Funding:

The District budgets funds for some replacement costs. For example, PDL replacements are funded at the part-time faculty rate. Therefore, the cost of a full-time temporary contract exceeds the budgeted amount since the salary is for a full-time replacement with benefits. Requests for a temporary replacement must include the replacement cost and source of funding.

CLASSIFIED POSITIONS

Vacant **classified positions** may be filled using one of the following:

- · Casual employee: may be employed for a maximum of 90 days while the position is undergoing a search and selection process (submit a TEA).
- Out-of-classification assignment by another classified employee (submit a WOC form).

Vacant classified positions are not filled by interim appointments because of the limitations of the Education Code and the District's agreements with CSEA and SEIU.

Employees on leave may be replaced by casual employees for the length of the leave up to 180 days (submit a TEA) or via an out-of-classification assignment (submit a WOC form).

SECTION XIII

SHORT-TERM AND TEMPORARY EMPLOYMENT HIRING PROCEDURES

FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT

SHORT-TERM AND TEMPORARY EMPLOYMENT

HIRING PROCEDURES

The District and SEIU have an agreement to reduce the District's reliance on "casual" employees. "Casual" employees are defined in Education Code, Section 88003 as short-term employees:

"Short-term employee," as used in this section, means any person who is employed to perform a service for the district, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis.

"Seventy-five percent of a college year" means 195 working days, including holidays, sick leave, vacation and other leaves of absence, irrespective of number of hours worked per day.

Casual employees may also include substitute employees, defined in the Education Code as follows:

"Substitute employee" as used in this section, means any person employed to replace any classified employee who is temporarily absent from duty. In addition, if the district is then engaged in a procedure to hire a permanent employee to fill a vacancy in any classified position, the governing board may fill the vacancy through the employment, for not more than 60 calendar days*, of one or more substitute employees, except to the extent that a collective bargaining agreement then in effect provides for a different period of time. (*90 calendar days for CSEA employees)

The Temporary Employee Authorization ("TEA") packet is used to hire "casual" employees for:

- Short-term assignments (less than 180 days/year)
- Seasonal assignments (e.g., fall quarter only, bookstore rush, registration)
- A leave replacement/substitute (180 days)
- A vacancy (SEIU 60 days/CSEA 90 days)

The District <u>must</u> reduce the number of casual employees. Therefore, before deciding to hire a short-term employee, carefully consider the following:

Is the work needed on a continuing basis? If so, is it possible to combine this
position with other short-term assignments to create a regular classified position?

1

- Is this work suitable for student employees?
- Can this work be assigned to existing classified, supervisory or administrative staff without impacting classification levels or causing overtime?
- If the work is ongoing, can it be done in less than 20 hours per week? Is it done during the academic year only? 10 months? 11 months?
- Can you eliminate the work? What are the consequences to students?

PROCESS

AB500 requires that all employment of short-term employees (aka "temporary employees" and "casuals") be approved by the Board <u>before</u> they begin work.

Education Code Section 88003 that governs the employment of short-term and substitute employees has been changed to read:

"Short-term employee" as used in this section means any person who is employed to perform a service for the district, upon the completion of which, the service required or similar service will not be extended or needed on a continuing basis. Before employing a short-term employee, the governing board, at a regularly scheduled board meeting, shall specify the service required to be performed by the employee pursuant to the definition of "classification" in subdivision (a) of Section 88001, and shall certify the ending date of the service. The ending date may be shortened or extended by the governing board, but shall not extend beyond 75 percent of a school year.

A casual/temporary employee may not begin work without prior Board approval. Human Resources will not process any TEA for casual employees that have not first been submitted to the Board for approval.

District Procedure for Processing of Short-Term Employees

• Submit Board item via email directly to Greg Parman in Human Resources (ParmanGreg@fhda.edu) 8 working days prior to the Board meeting.

Note: All of the TEA paperwork must be submitted at that time

- Submit the information on the forms provided. There are two forms, one blank and one sample.
- Please pay attention to the end date. If an assignment is extended it must be submitted to the Board <u>before</u> the employee can continue beyond the approved end date.

Note: This does not mean an assignment can be entered for an entire year, "just in case."

SECTION XIV

GUIDELINES FOR HIRING INDEPENDENT CONTRACTORS

Foothill-De Anza Community College District

GUIDELINES:

Subject: Determination of Independent Contractor Status

PURPOSE:

To provide guidelines for determining employee status for persons hired by the District as "consultants" or "independent contractors" and restraints of performing service as consultants and independent contractors; and to provide guidelines for reporting of such service.

DEFINITIONS:

Independent Contractor:

The definition as specified in California Labor Code Section 3353: "<u>Independent Contractor</u> means any person who renders service for a specified recompense, for a specified result, under the control of a principal as to the result of a work only, and not as to the means by which such result is accomplished."

An Independent Contractor works independently, normally contracting to receive a set fee for completing a specific scope of work within a specific period of time. An Independent Contractor is not an employee, and such an arrangement must not be used to circumvent employment procedures.

Employee:

Under IRS Common Law Rule guidelines, a worker is an employee if the employer has the right to control not only <u>who</u> performs the job, but also the <u>tools and supplies</u> to be used, <u>what</u> is to be done, <u>how</u> it is to be done, <u>where</u> it is to be done, and <u>when</u> it is to be done. This is true regardless of the duration of the job or certainty of funding to support the job.

GUIDELINES:

Basic Rule:

<u>Individuals hired to perform services for the District should be considered employees except in rare circumstances.</u>

Determination of Employee vs. Independent Contractor status.

Major criteria for determination of employee status would be a) usual availability in the community of individuals performing those services, or b) the usual employment status of individuals who would normally perform those services for the District.

If persons performing the services under consideration are usually available in the community, then the person hired to perform the services should be hired as an employee. Or, if the usual employment status of individuals normally performing those services for the District is that of an employee, the person hired into the position is an employee.

IRS Publication SWR 40, *Public Schools and Employment Taxes*, lists workers that have already been determined by IRS to be employees. These are individuals performing the duties of:

Administrators
Athletic Coaches
Cafeteria Workers
Clerical Staff

Nurses
Proctors
Psychologists
School Bus Drivers

Counselors Specialty Teachers (art, poetry, etc.)

Examination Monitors Substitutes

Individuals "filling in" on an interim basis Teachers/Instructors

Intern Psychologists Tutors

Librarians

The California State Employment Development Department, the Internal Revenue Service, and the Social Security Administration observe the "Common-Law Rule", (see District Pre-Hire Worksheet) in determining employee status. Employers and employees alike should also refer to this document for guidance in establishment of positions and in hiring.

U.S. person ▶

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- 2. Certify that you are not subject to backup withholding,
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Date ▶

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

- 1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
 - The treaty article addressing the income.
- 3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption from tax.
- 5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Form W-9 (Rev. 1-2003) Page **2**

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a **nonresident alien or a foreign entity** not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 30% of such payments (29% after December 31, 2003; 28% after December 31, 2005). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will **not** be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

- 1. You do not furnish your TIN to the requester, or
- 2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
- $\ensuremath{\mathbf{3}}.$ The IRS tells the requester that you furnished an incorrect TIN, or
- **4.** The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
- **5.** You do not certify to the requester that you are not subject to backup withholding under **4** above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate **Instructions for the Requester of Form W-9.**

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note: If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is **not required** on any payments made to the following payees:

- 1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2);

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a **sole proprietor** and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner **LLC** that is disregarded as an entity separate from its owner (see **Limited liability company (LLC)** on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note: See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form on-line at www.ssa.gov/online/ss5.html. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS Web Site at www.irs.gov.

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Writing "Applied For" means that you have already applied for a TIN **or** that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are **not exempt** from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Form W-9 (Rev. 1-2003) Page f 4

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 3, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see **Exempt from backup withholding** on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
- **3. Real estate transactions.** You must sign the certification. You may cross out item **2** of the certification.
- 4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
- 5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA or Archer MSA contributions or distributions, and pension distributions. Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA or Archer MSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, or to Federal and state agencies to enforce Federal nontax criminal laws and to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 30% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

² Circle the minor's name and furnish the minor's SSN.
