§ 53000. Scope and Intent.

(a) This subchapter implements and should be read in conjunction with Government Code sections 11135-11139.5, Education Code sections 66010.2, 66030, and Chapter 4.5 of Part 40 of Title 3, commencing with section 66250; Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq.) and the Age Discrimination Act (42 U.S.C. § 6101). Nothing in this subchapter shall be construed to conflict with or be inconsistent with the provisions of article 1, section 31 of the California Constitution or to authorize conduct that is in conflict with or is inconsistent with such provisions.

(b) The regulations in this subchapter require steps to promote faculty and staff equal employment opportunity which are in addition to and consistent with the nondiscrimination requirements of state or federal law. Therefore, compliance with these regulations or approval of the district's equal employment opportunity plan pursuant to section 53003 does not imply and should not be construed to mean that a district has necessarily complied with its obligations under any other applicable laws or regulations. The Chancellor shall assist districts in identifying other applicable state or federal laws which may affect district equal employment opportunity or nondiscrimination policies.

Subchapter 1. Equal Employment Opportunity Programs
Article 1. General

§ 53001. Definitions.

As used in this subchapter:
(a) Adverse Impact. "Adverse impact" means that a statistical measure (such as those outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures") is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

(b) Business Necessity. "Business necessity" means circumstances which justify an exception to the requirements of section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the district or pose a significant threat to human life or safety. Business necessity requires greater financial cost than does mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

(c) Equal Employment Opportunity. "Equal employment opportunity" means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the district. Equal employment opportunity should exist at all levels and in all job categories listed in section 53004(a). Ensuring equal employment opportunity also involves creating an environment which fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by this subchapter.

(d) Equal Employment Opportunity Plan. An "equal employment opportunity plan" is a written document in which a district's work force is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

(e) Equal Employment Opportunity Programs. "Equal employment opportunity programs" means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of section 53006.
(f) (1) Ethnic Minorities. "Ethnic minorities" means American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.

(2) Ethnic Group Identification. "Ethnic group identification" means an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal law.

(g) Goals for Persons with Disabilities. "Goals for persons with disabilities" means a statement that the district will strive to attract and hire additional qualified persons with a disability in order to achieve the level of projected representation for that group by a target date established by taking into account the expected turnover in the work force and the availability of persons with disabilities who are qualified to perform a particular job. Goals are not "quotas" or rigid proportions.

(h) In-house or Promotional Only Hiring. "In-house or promotional only" hiring means that only existing district employees are allowed to apply for a position.

(i) Monitored Group. "Monitored group" means those groups identified in section 53004(b) for which monitoring and reporting is required pursuant to section 53004(a).

(j) Person with a Disability. "Person with a disability" means any person who (1) has a physical or mental impairment as defined in Government Code section 12926 which limits one or more of such person's major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.

(k) Projected Representation. "Projected representation" means the percentage of persons from a monitored group determined by the Chancellor to be available and qualified to perform the work in question.

(l) Reasonable Accommodation. "Reasonable accommodation" means the efforts made on the part of the district to remove artificial or real barriers which prevent or limit the employment and upward mobility of persons with disabilities. "Reasonable accommodations" may include the items designated in section 53025.

(m) Screening or Selection Procedure. "Screening or selection procedure" means any measure, combination of measures, or procedure used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to, traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.

(n) Significantly Underrepresented Group. "Significantly underrepresented group" means any monitored group for which the percentage of persons from that group employed by the district in any job category listed in section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

(o) Target Date. "Target date" means a point in time by which the district plans to meet an established goal for persons with disabilities and thereby achieve projected representation in a particular job category.

(p) Timetable. "Timetable" means a set of specific annual hiring objectives that will lead to meeting a goal for persons with a disability by a projected target date.

53004(a);

(7) an analysis of the degree to which monitored groups are underrepresented in comparison to the numbers of persons from such groups whom the Chancellor determines to be available and qualified to perform the work required for each such job category and whether or not the underrepresentation is significant;

(8) methods for addressing any underrepresentation identified pursuant to subparagraph (7)

(9) additional steps consistent with section 53006 to remedy any significant underrepresentation identified in the plan; and

(10) any other measures necessary to further equal employment opportunity throughout the district.

§ 53004. District Evaluation and Report to Chancellor.

(a) Each district shall annually survey its employees and shall monitor applicants for employment on an ongoing basis in order to evaluate the implementation of its equal employment opportunity plan and to provide data needed for the analyses required by sections 53003, 53006, 53023, and 53024. Each district shall annually report to the Chancellor, in a manner prescribed by the Chancellor, the results of its annual survey of employees at each college in the district. Each employee shall be reported so that he or she may be identified as belonging to one of the following seven job categories:

(1) executive/administrative/managerial;

(2) faculty and other instructional staff;

(3) professional nonfaculty;

(4) secretarial/clerical;

(5) technical and paraprofessional;

(6) skilled crafts; and

(7) service and maintenance.

(b) For purposes of the survey and report required pursuant to subsection (a) of this section, each applicant or employee shall be afforded the opportunity to identify his or her gender, ethnic group identification and, if applicable, his or her disability. A person may designate multiple ethnic groups with which he or she identifies, but shall be counted in only one ethnic group for reporting purposes. Chinese, Japanese, Filipinos, Koreans, Vietnamese, Asian Indians, Hawaiians, Guamanians, Samoans, Laotians, and Cambodians are to be counted and reported as part of the Asian/Pacific Islander group as well as in separate subcategories. However, in determining whether additional steps are necessary to ensure that monitored groups have not been excluded on an impermissible basis, analysis of the separate subgroups is not necessary.

Article 1. General

(a) If a district determines that a particular monitored group is significantly underrepresented with respect to one or more job categories, the district shall take additional steps consistent with this section. At a minimum, the district shall:

(1) review its recruitment procedures and identify and implement any additional measures which might reasonably be expected to attract candidates from the significantly underrepresented group;

(2) consider various other means of reducing the underrepresentation which do not involve taking monitored group status into account, and implement any such techniques which are determined to be feasible and potentially effective;

(3) determine whether the group is still significantly underrepresented in the category or categories in question after the measures described in (1) and (2) have been in place a reasonable period of time; and

(4) if significant underrepresentation persists, the staffing rate for the significantly underrepresented group in the specified job category or categories shall be monitored on an ongoing basis until the projected representation has been achieved for that group in the category or categories in question.

(b) If a reasonable period of time passes and significant underrepresentation persists for a particular group in the job category in question, the district shall:

(1) review each locally established "required," "desired" or "preferred" qualification being used to screen applicants for positions in the job category to determine if it is job-related and consistent with business necessity through a process meeting the requirements of federal law or is among those qualifications which the Board of Governors has found to be job-related and consistent with business necessity throughout the community college system;

(2) discontinue the use of any locally established qualification that has not been found to satisfy the requirements set forth in paragraph (1) of this subdivision; and
(3) continue using qualification standards meeting the requirements of paragraph (1) only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of paragraph (1) and be expected to have a less exclusionary effect.

(c) For purposes of this section, "a reasonable period of time" means three years, or such longer period as the Chancellor may approve, upon the request of the equal employment opportunity advisory committee and the chief executive officer, where the district has not filled enough positions to appreciably affect its work force in the job category in question.

(d) Nothing in this subchapter shall be construed to prohibit a district from taking any other steps it concludes are necessary to ensure equal employment opportunity, provided that such actions are consistent with the requirements of federal and state constitutional and statutory nondiscrimination law.

(a) The governing board of each community college district is ultimately responsible for proper implementation of this subchapter at all levels of district and college operation and for making measurable progress toward equal employment opportunity by the methods described in the district's equal employment opportunity plan. In carrying out this responsibility, the governing board, upon the recommendation of the chief executive officer, shall ensure that an equal employment opportunity officer is designated to oversee the day-to-day implementation of the requirements set forth in this subchapter.

(b) The administrative structure created by any delegation of authority to the equal employment opportunity officer or others shall be described in the district's equal employment opportunity plan submitted pursuant to section 53003 and shall be designed in such a manner so as to ensure prompt and effective implementation of the requirements of this subchapter. The plan shall also designate a single officer, who may be the equal employment opportunity officer, who shall be given authority and responsibility for receiving complaints filed pursuant to section 53026, for ensuring that such complaints are promptly and impartially investigated, and ensuring that selection procedures and the applicant pool are properly monitored as required by sections 53023 and 53024.

(c) Any organization or individual, whether or not an employee of the district, who acts on behalf of the governing board with regard to the recruitment and screening of personnel is an agent of the district and is subject to all of the requirements of this subchapter.

Article 2. Other Specific Responsibilities of Community College Districts
§ 53021. Recruitment.

(a) Except as otherwise provided in this section, community college districts shall actively recruit from both within and outside the district work force to attract qualified applicants for all new openings. This shall include outreach designed to ensure that all persons, including persons from monitored groups, are provided the opportunity to seek employment with the district. The requirement of open recruitment shall apply to all new full-time and part-time openings in all job categories and classifications, including, but not limited to, faculty, classified employees, categorically funded positions, the chief executive officer, and all other executive/administrative/managerial positions. Recruitment for full-time faculty and educational administrator positions shall be at least statewide and, at a minimum, shall include seeking qualified applicants listed in the California Community Colleges Equal Employment Opportunity Registry and posting job announcements with the Registry. Recruitment for part-time faculty positions may be conducted separately for each new opening or by annually establishing a pool of eligible candidates, but in either case full and open recruitment is required consistent with this section.

(b)(1) "In-house or promotional only" recruitment shall not be used to fill any new opening for any position described in subdivision (a) except when the position is being filled on an interim basis for the minimum time necessary to allow for full and open recruitment; provided however, that no interim appointment or series of interim appointments exceed one year in duration. The Chancellor may approve an extension of up to one additional year if the district demonstrates "business necessity" as defined in section 53001(b).

(2) If a district believes justification exists for use of the exception listed in subsection (b)(1), it shall so notify the Equal Employment Opportunity Advisory Committee established pursuant to section 53005 and the Chancellor at least ten (10) working days prior to offering the position to a candidate.

(3) Where in-house or promotional only recruitment is permitted, the district shall comply with its established hiring procedures and all district employees shall be afforded the opportunity to apply and demonstrate that they are qualified.

(4) The job announcement for the interim position shall comply with section 53022 and the selection process shall be consistent with the requirements of this subchapter.

Job announcements shall state clearly job specifications setting forth the knowledge, skills, and abilities necessary to job performance. For faculty and administrative positions, job requirements shall include a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students. Job specifications, including any "required," "desired" or "preferred" qualifications beyond the state minimum qualifications (set forth in subchapter 4, commencing with section 53400 of this chapter) which the district wishes to utilize, shall be reviewed before the position is announced, to ensure conformity with the requirements of this subchapter and state and federal nondiscrimination laws.

(a) The application for employment shall afford each applicant an opportunity to voluntarily identify his or her gender, ethnic group identification and, if applicable, his or her disability. This information shall be kept confidential and shall be used only in research, validation, monitoring, evaluating the effectiveness of the district’s equal employment opportunity program, or any other purpose specifically authorized in this subchapter, or by any applicable statute or regulation.

(b) After the application deadline has passed, the composition of the initial applicant pool shall be analyzed to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures. If necessary, the application deadline shall be extended and additional recruitment shall be conducted that eliminates discriminatory recruitment procedures and ensures that recruitment efforts provide a full and fair opportunity for participation to a wide diversity of potential applicants. When recruitment efforts have offered an opportunity for participation to a wide diversity of potential applicants or further recruitment efforts would be futile, applications shall be screened to determine which candidates satisfy job specifications set forth in the job announcement.

(c) Before the selection process continues, the composition of the qualified applicant pool shall be analyzed to ensure that no monitored group is adversely impacted pursuant to section 53001(a). If adverse impact is found to exist, the chief executive officer or his or her designee shall take effective steps to address the adverse impact before the selection process continues. Such steps may include, but are not limited to:

(1) extending the deadline and undertaking inclusive outreach efforts to ensure that members of the adversely impacted group have equal opportunity to seek employment with the district;

(2) including all applicants who were screened out on the basis of any locally established qualifications beyond state minimum qualifications which have not been specifically demonstrated to be job-related and consistent with business necessity through a process meeting the requirements of federal law or which are not among those which the Board of Governors has found to be job-related and consistent with business necessity throughout the community college system.
(d) If adverse impact persists after taking steps required under subdivision (c), the selection process may proceed only if:

1. the job announcement does not require qualifications beyond the statewide minimum qualifications; or

2. locally established qualifications beyond state minimum qualifications, if any, are demonstrated to be job-related and consistent with business necessity through a process meeting the requirements of federal law and suitable alternative selection procedures to reduce the adverse impact were unavailable; or

3. the particular qualification beyond statewide minimum qualifications which are used in the job announcement are among those which the Board of Governors has found to be job-related and consistent with business necessity throughout the community college system.

(e) The district may not advertise or utilize in future hiring processes for the same position or a substantially similar position any locally established qualifications beyond state minimum qualifications that the district was unable to verify under subsection (b)(2) unless such qualifications are so verified in advance of commencing any such future hiring process.

§ 53024. Screening or Selection Procedures.

(a) All screening or selection techniques, including the procedure for developing interview questions, and the selection process as a whole, shall be:

(1) provided to the Chancellor upon request;

(2) designed to ensure that for faculty and administrative positions, meaningful consideration is given to the extent to which applicants demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students;

(3) based solely on job-related criteria; and

(4) designed to avoid an adverse impact, as defined in section 53001(a), and monitored by means consistent with this section to detect and address any adverse impact which does occur for any monitored group.

(b) If monitoring pursuant to subsection (a)(4) reveals that any selection technique or procedure has adversely impacted any such group, the chief executive officer or his/her designee shall suspend the selection process and timely and effective steps shall be taken to remedy the problem before the selection process resumes. The equal employment opportunity officer, or other official charged with responsibility for monitoring selection procedures, may assist the screening committee by discussing the overall composition of the applicant pool and the screening criteria or procedures which have produced an adverse impact, provided that confidential information about individual candidates is not disclosed. If adverse impact results from locally established qualifications beyond state minimum qualifications that have not been verified as described in section 53023(c)(2) or replaced with suitable alternatives having a lesser adverse impact, the use of such qualifications shall be immediately discontinued and any applicant eliminated on the basis of that qualification shall be continued in the hiring process. Where necessary, the position may be re-opened at any time and a new selection process initiated in a way designed to avoid adverse impact.

(c) A district may not designate or set aside particular positions to be filled by members of any group
defined in terms of ethnic group identification, race, color, national origin, religion, age, gender, disability, ancestry or sexual orientation, or engage in any other practice which would result in discriminatory or preferential treatment prohibited by state or federal law. Nor may a district apply the district's equal employment opportunity plan in a rigid manner which has the purpose or effect of so discriminating.

(d) Seniority or length of service may be taken into consideration only to the extent it is job related, is not the sole criterion, and is included in the job announcement consistent with the requirements of section 53022.

(e) Selection testing for employees shall follow procedures as outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures."

(f) Whenever possible, screening committees shall include a diverse membership which will bring a variety of perspectives to the assessment of applicant qualifications.

(g) Notwithstanding any other provision of this division, the governing board or its designee shall have the authority to make all final hiring decisions based upon careful review of the candidate or candidates recommended by a screening committee. This includes the right to reject all candidates and to order further review by the screening committee or to reopen the position where necessary to further achievement of the objectives of the equal employment opportunity plan or to ensure equal employment opportunity. However, a consistent pattern of not hiring qualified candidates from a monitored group who are recommended by screening committees may give rise to an inference that the selections are not consistent with the objectives of equal employment opportunity that are required by this subchapter.

§ 53025. Persons with Disabilities.

(a) Districts shall ensure that applicants and employees with disabilities receive reasonable accommodations consistent with the requirements of Government Code sections 11135 et seq. and 12940(m), section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aids such as readers, interpreters, and notetakers. Such accommodations may be paid for with funds provided pursuant to article 3 (commencing with section 53030) of this subchapter.

(b) If a district established a goal for persons with disabilities prior to the effective date of this subsection and if significant underrepresentation still exists, it shall update that goal, set a new target date for achieving projected representation in the category or categories in question, and concurrently comply with subsections (a)(1), (a)(2) and (b) of section 53006 with respect to persons with disabilities.

(c) Where persons with disabilities are found to be significantly underrepresented, measures required under subsections (a)(1) and (a)(2) of section 53006 shall be implemented concurrently with setting a goal with a target date for achieving projected representation for persons with a disability in each job category where the underrepresentation was found to exist. Goals shall remain in effect only until projected representation has been achieved for that group in the category or categories in question. Until the Chancellor’s Office provides data regarding the availability of persons with disabilities by job category, an aggregate labor force availability rate shall be utilized for setting goals for hiring persons with disabilities with respect to the total district work force. The district may also concurrently take other additional steps which take disability into account, so long as such measures are discontinued when projected representation is achieved for persons with disabilities in the category or categories in question.
