

Board of Trustees Agenda Item

Board Meeting Date: 2/1/10

Title of Item: Board of Trustees Recognition of Payroll/HR Banner Team

Background and Analysis:

The Board of Trustees would like to recognize the accomplishments of the Banner team that successfully implemented the Banner Payroll/HR Module. A team of dedicated employees from Payroll, Human Resources, and Educational Technology Services worked tirelessly and with distinction over the last six months to design and implement this Educational Information System (EIS) module. These members contributed countless hours of time working late at night, on weekends, and on holidays to ensure that this module would go live on schedule, January 1. Accordingly, they were successful in running our January payrolls on the new system. The Board of Trustees is proud of the accomplishments of this team and wishes to thank them in person for a job well done.
