

Board of Trustees Agenda Item

Board Meeting Date: February 01, 2010

Title of Item:

SALE OF MISCELLANEOUS SURPLUS ELECTRONIC EQUIPMENT

Background and Analysis:

The District has two pallets of computers, monitors, printers, and miscellaneous electronic equipment. ETS departmental staff have determined that the items are obsolete and of no further use to the District. DeAnza College OTI and the DASB have also found them to be unsuitable for further use. In accordance with the Electronic Waste Recycling Act these items are considered electronic waste and should be sold to an authorized State of California CRT material handlers, collectors and recyclers. See attached surplus forms prepared by the colleges for a list of electronic waste scheduled to be sold. The estimated aggregate market value of this electronic equipment is less than \$5,000.00.

California Education Code 81452(a) provides that if the governing board by a unanimous vote of those members present, finds that the property, whether one or more items, does not exceed in value the sum of five thousand dollars (\$5,000.00), the property may be sold by any employee of the District empowered for that purpose by the board.

Purchasing Services plans to post a notice on Bid Net and call for competitive bids from companies that are authorized State of California CRT material handlers, collectors and recyclers. Proceeds will be deposited to the District's general fund.

Recommendation: (specify if information only)

Make a finding that the property does not exceed \$5,000.00 in value and authorize the Director of Purchasing Services to sell the items in accordance with Education Code 81452(a).
