

Board of Trustees Agenda Item

Board Meeting Date: April 5, 2010

Title of Item:

Approval of New Courses Beginning Spring 2010 Quarter

Background and Analysis:

Foothill seeks board approval for the addition of the attached courses to the 2009-10 Foothill College Catalog.

These courses have been approved through the established Foothill curriculum process for the 2009-10 year.

Recommendation: (specify if information only)

Foothill administration recommends approval of these additional courses.

Re: Notification of the addition of New Courses to the 2009-10 Inventory

The following list is courses that have been added to our electronic Catalog beginning Spring 2010 quarter. These are being reported as required by the Title 5 mandate that all new courses must be approved by the Governing Board of each District prior to they're being taught. Should you have any questions, please contact me at 7209 or Carolyn Holcroft, College Curriculum Committee Co-Chair at 7492 or Cori Nuñez, Curriculum Coordinator at 7439.

The ENGR 600 course is an experimental course that, if it is determined that it be continued, will be renumbered appropriately. This course has been approved through the established Foothill curriculum process.

APEL 129A	ELECTRICAL SYSTEMS
APEL 129B	BASIC ESTIMATING/TAKE-OFF & ELECTRICAL SAFETY-RELATED
	WORK PRACTICES
ENGR 600	INTRODUCTION TO CLEANTECH
