Board of Trustees Agenda Item**Board Meeting Date:** April 05, 2010**Title of Item:**

SALE OF SURPLUS DISTRICT AIR COMPRESSOR

Background and Analysis:

The District has one air compressor that has been determined by the Plant Services Department to be of no further use to the District. The estimated aggregate market value of the air compressor is \$250.00.

California Education Code 81452(a) provides that if the governing board by a unanimous vote of those members present, finds that the property, whether one or more items, does not exceed in value the sum of five thousand dollars (\$5,000.00), the property may be sold by any employee of the District empowered for that purpose by the board.

Purchasing Services plans to post a notice on Bid Net and call for competitive bids on the Public Surplus website. Proceeds will be deposited to the District General Fund.

Recommendation: (specify if information only)

Make a finding that the property does not exceed \$5,000.00 in value and authorize the Director of Purchasing Services to sell the items in accordance with Education Code 81452(a).
