

## FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT

**Board of Trustees Agenda Item****Board Meeting Date:** May 03, 2010**Title of Item:**

DONATION OF SURPLUS DISTRICT COMPUTER AND MONITORS TO OTI

**Background and Analysis:**

The District has 1 computer and 26 monitors that have been replaced with new equipment. The used equipment is unsatisfactory for further use by the District. Educational Technology Services (ETS) estimates that each computer has a value of \$40.00 and each monitor has a value of \$30.00. Therefore, the estimated aggregate value is \$820.00.

The De Anza College Occupational Training Institute evaluated this equipment and found it acceptable for refurbishment and donation to students as scholarships. Therefore, it is recommended that the computers be donated to the Foothill-De Anza Foundation, which is a tax-exempt public benefit corporation under Section 501(c)(3) of the Internal Revenue Service Code.

California Education Code 81452(c) provides that if the governing board, by a unanimous vote of those members present, finds that the property, is of insufficient value to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the board.

**Recommendation:** (specify if information only)

Make a finding that the items are of insufficient value to defray the costs of arranging a sale and authorize the Director of Purchasing Services to donate the items to the De Anza College Occupational Training Institute.

Donna,

I need to pull item 21, Sale of Miscellaneous Surplus Electronic Equipment, from tonight's board agenda. I just had a call from Susan Malmgren of OTI, there are some items on item 21 that she would like us to donate to OTI, but the only way we can do that is to pull the item, rewrite it, and resubmit it for the May board meeting. Thank you.

Carmen
