Re: Notification of Curriculum Changes for the 2010-11 Catalog

The following report documents the changes made to the curriculum from July 2009 to May 2010. These changes will be reflected in the 2010-11 Foothill College Catalog. Should you have any questions, please contact me at 7209, Carolyn Holcroft, College Curriculum Committee Co-Chair at 7492 or Cori Nuñez, Curriculum Coordinator at 7439.

For the 2010-11 Catalog, there are 2496 active courses. Of those courses, there were 68 new courses, 176 courses were inactivated, 3 reinstated courses and 520 updated courses. As per the State guidelines, all the new courses must now receive Board of Trustee approval prior to the quarter in which they will be taught. As of today's date, all but the new Summer 2010 courses have been approved. The new courses for Summer 2010 requiring approval are as follows:

ANTH 12	APPLIED ANTHROPOLOGY
BTEC 77	ENVIRONMENTAL BIOTECHNOLOGY
