

Board of Trustees Agenda Item

Board Meeting Date:

Title of Item: Agreement for Law Enforcement Dispatching Services

Background and Analysis:

The Foothill - De Anza Community College District Police Department contracts with the San Jose State University (SJSU) Police Department to provide 24 Hour, 7 days a week, law enforcement dispatch services for the District. This includes answering all 9-1-1 calls originating on Foothill and De Anza campuses and handling all radio traffic with our sworn police officers (dispatching them to calls for service, traffic enforcement stops, etc.). We have engaged SJSU PD for these services beginning in January of 2007 and this the second of three one year extensions of the original agreement. SJSU has amended their charge for services based on an internal review of actual costs associated with the dispatching agreement and provided the District with the costs for the next three years.

Recommendation: Vice Chancellor of Business Services Kevin McElroy recommends approval.
