Number of Student Trustees; Term of Office; Rights

9110.1

In addition to the five elected trustees there will be one student trustee from each college. Following procedures prescribed by the Board, the student trustees will be chosen by the students enrolled in the colleges. The term of the student trustees will be one year commencing on June 1.

The student trustees will be seated with the elected trustees at all public meetings of the Board and will be recognized at those meetings as full members of the Board for the purpose of questioning witnesses, discussing issues and making and seconding motions. The student trustees will be entitled to an advisory vote. If a student trustee wishes to cast an advisory vote, it shall be taken prior to the Board's vote. Furthermore, the student trustees will receive all material presented to the publicly elected trustees, except material that relates to matters considered in closed session.

For each Board meeting they actually attend, the student trustees shall be entitled to compensation as determined by the Board for attendance at Board meetings.

This policy will be reviewed by the Board and either readopted, revised or repealed by May 15 of each year.
