

Board of Trustees Agenda Item

Board Meeting Date: May 2, 2011

Title of Item:

Approval of DASB Budget, 2011-2012

Background and Analysis:

The De Anza Associated Student Body Senate deliberated during the fall and winter quarters, holding its first vote to approve the budget on February 16, 2011. On February 23, 2011, the DASB Senate held its confirming vote and approved the 2011-2012 DASB operating budget. The Student Senators should be commended for recognizing their responsibility of allocating funds in a manner that benefits the students, academic programs and activities. Once again for this fiscal year the Senate was able to creatively increase its income in order to support diminished college budgets. These funds were allocated using strict budgetary goals that serve the most vital college and student needs.

DASB Budget 2011-2012

Passion Into Actions

The De Anza Associated Student Body is a strong supporter of the success of its students. In order to promote the well being of each student, we fund programs and services that enable the students at De Anza to lead a proactive life. Being able to help students excel in math through the Math Performance Success Program, getting extra help from the Tutorial Center to succeed in their classes, reading La Voz to get the up-to-date news on the happenings around campus and the world, and funding marches against budget cuts on education, benefit concerts and campaigns that empower De Anza students, are benefits funded by the DASB that each De Anza student enjoys.

Keeping with our goals of funding to cater to our students' success and retention, funding for this year has ensured the success of Creative Arts, Athletics, DASB Scholarships, Textbook Reserves at the Library and the Tutorial Center, and many more academic programs and services.

For the 2011-2012 year, we have focused our attention on impacting De Anza students directly by providing funding for programs that provide academic benefits, leadership skills, and enable students to pursue their interests. With a budget exceeding a million dollars, we have funded programs that promote success for our students including the Student Success & Retention Center, Tutorial Center, and the Math Performance Success Program. With our continued support, every student has the resources they need to succeed at De Anza College.

The Budget Goals for 2011-2012 are to fund programs that must directly affect De Anza students and:

- Help students succeed and enable them to achieve their academic and/or personal goals at De Anza College
- Promote leadership, diversity, civic engagement and equality among all students
- Show academic benefits
- Benefit students during the fiscal year of the budget
- Benefit DASB members/cardholders
- Serve the greatest number of students
- Generate DASB Revenue
- Promote DASB benefits to the general student body
- Have DASB as their primary funding source

We would like to thank all the Budget & Finance committee members and advisors who have assisted with the development and success of the 2011-2012 Budget.
