

## **Board of Trustees Agenda Item**

**Board Meeting Date:** May 2, 2011

### **Title of Item:**

Resolution Authorizing Naoko Harada as a License Representative of the Child Development Center, De Anza College

### **Background and Analysis:**

SB 1381: Kindergarten Age. This bill changes the kindergarten entry age in California from five years old by December 2nd to five years old by September 1st. For those “young fives” (i.e., children turning five from September 2 – December 2) whose kindergarten is delayed, the bill creates a transitional kindergarten. The new age requirement would be phased in over three years beginning in the 2012-13 school year.

The Child Development Center currently is licensed for 0-5 years of age and wishes to expand the services available at the Center to include those students for whom kindergarten is delayed. In order to make application, the Department of Social Services, Community Care Licensing Division, Child Care Program, requires that the District designate a “License Representative” of the Child Development Center at De Anza College. This representative becomes the official contact person between the Department of Social Services, Community Care Licensing Division and the Child Development Center at De Anza College. This representative will make application and receive all communication including reports of inspections and consultations, accusations and civil and administrative processes.

Department of Social Services, Community Care Licensing Division, Child Care Program requires that the appointment be by resolution of the Foothill-De Anza Community College District Board of Trustees.

The Resolution for the purpose of appointment is attached.
