

Board of Trustees Agenda Item

Board Meeting Date: August 8, 2011

Title of Item:

SALE OF TWO BALDOR BUFFING MACHINES

Background and Analysis:

The District has two Baldor Buffing Machines (see attached Surplus Disposal Form, 1 page) that have been determined by the De Anza College Crafts Studio to be of no further use to the District. The estimated aggregate market value of the equipment is \$100.00.

California Education Code 81452(a) provides that if the governing board by a unanimous vote of those members present, finds that the property, whether one or more items, does not exceed in value the sum of five thousand dollars (\$5,000.00), the property may be sold by any employee of the District empowered for that purpose by the board.

Purchasing Services will call for competitive bids on the Public Surplus website. Proceeds will be deposited to the District General Fund.

Recommendation: (specify if information only)

Make a finding that the property does not exceed \$5,000.00 in value and authorize the Director of Purchasing Services to sell the two Baldor Buffing Machines in accordance with Education Code 81452(a).
