

Board of Trustees Agenda Item

Board Meeting Date: November 7, 2011

Title of Item: Proposed Increase to Daily Parking Permit Fees

Background and Analysis:

The proposed increase would raise the cost of daily permits at De Anza and Foothill from \$2 to \$3 and would not impact the cost of a quarterly parking permit. The additional income from the increase would be used toward offsetting the cost of replacement permit machines at Foothill College and the additional maintenance/service fees incurred by new parking permit machines installed at both colleges. The added income will also help to minimize parking and security expenses encroaching on the District's general fund.

There has not been an increase in this particular fee since 1998. Both the student body councils of De Anza and Foothill are in support of the recommendation to increase increasing the daily parking permit fee.
