

Board of Trustees Agenda Item

Board Meeting Date: April 2, 2012

Title of Item:

RECYCLE AND DISPOSE OF UNUSABLE SURPLUS FURNITURE

Background and Analysis:

The District owns surplus furniture that has been replaced with new (see attached list, 11 pages). It has been determined that the furniture is in such poor condition that it is unusable. District staff estimates the resale value to be zero.

California Education Code 81452(c) provides that if the governing board, by a unanimous vote of those members present, finds that the property, is of insufficient value to defray the costs of arranging a sale, the property may be disposed of in the local public dump on order of any employee of the District empowered for that purpose by the board.

District Staff will dismantle the items and recycle or dispose of the components appropriately.

Recommendation: (specify if information only)

Make a finding that the items are of insufficient value to defray the costs of arranging a sale and authorize the Director of Purchasing Services to recycle the items or dispose of them in the local public dump.
