Re: Notification of the addition of Stand Alone Courses to the 2012-13 Inventory

The following courses have completed requisite applications and have been approved through the established Foothill curriculum process to be taught as Stand Alone Courses. Per Title 5 mandate, every course that is not part of a State approved degree or certificate or is not part of the Foothill General Education requirements is required to have completed an application to substantiate its appropriateness to our mission, prove that it has met Foothill's curriculum standards and that it is compliant with regard to enrollment restrictions and accreditation standards.

These applications must also be approved by the Governing Board of each District prior to their being taught. Should you have any questions, please contact me at 7209 or Carolyn Holcroft, College Curriculum Committee Co-Chair at 7492 or Cori Nuñez, Curriculum Coordinator at 7439.
