

Board of Trustees Agenda Item

Board Meeting Date: December 10, 2012

Title of Item:

Sale of Miscellaneous Surplus Electronic Equipment

Background and Analysis:

The District has 15 pallets of computers, monitors, printers, and miscellaneous electronic equipment (See attached Surplus Forms, 13 pages). The District's Educational Technology Services Department (ETS) staff has determined that the items are obsolete and of no further use to the District. DeAnza College Occupational Training Institute has also found them to be unsuitable for further use. In accordance with the Electronic Waste Recycling Act these items are considered electronic waste. The estimated aggregate market value of this electronic equipment is less than \$5,000.00.

California Education Code 81452(a) provides that if the governing board by a unanimous vote of those members present, finds that the property, whether one or more items, does not exceed in value the sum of five thousand dollars (\$5,000.00), the property may be sold by any employee of the District empowered for that purpose by the board.

Purchasing Services will post a notice on Bid Net and call for competitive bids from authorized State of California material handlers, collectors, and recyclers. Proceeds will be deposited to the District's general fund.

Recommendation: (specify if information only)

Make a finding that the property does not exceed \$5,000.00 in value and authorize the Interim Director of Purchasing Services to sell the items in accordance with Education Code 81452(a).

Submitted by:	Gina Bailey, Interim Director, Purchasing Services
Additional contact	Eric Olague, Buyer, Purchasing Services
Is backup provided?	Yes

E-Waste XLS Attachment to Surplus Disposal Form SN23500
