

## **Legislative Goals 2010-11**

### **Proposal**

For the 2010-11, the Foothill-De Anza Board of Trustees endorses advocacy for the following:

#### **A. State Legislative Priorities**

1. Support funding for enrollment restoration/growth that is essential for providing access and success during a period of high demand.
2. Support a constitutional amendment to lower the vote threshold for the approval for school and community college district parcel taxes from two-thirds (66%) to a super majority of 55%.
3. Support stable, predictable funding for community colleges.
4. Support closing the state's structural budget deficit with revenue enhancements.
5. Support a stable and predictable student enrollment fee policy
6. Support access to financial aid for all students.
7. Support use of open educational resources and other appropriate approaches to reduce textbook costs for students.
8. Advocate for increasing the authority of local districts.
9. Support California DREAM Act or similar legislation and oppose efforts to deny in-state tuition rates at public college and universities to AB 540 students.
10. Seek flexibility in setting community college fees.
11. Support removing barriers to transfer of qualified community college students to the University of California and California State Universities

#### **B. Federal Legislative Priorities**

1. Support increased federal investment in higher education and workforce development across the board.
  2. Support the DREAM Act and student eligibility for federal student financial assistance.
  3. Support funding to help institutions serve the particular needs of students who are veterans.
  4. Support assistance to provide lifelong learning opportunities for the older segment of the population.
  5. Support inclusion of community colleges as key partners/training providers in workforce investment legislation.
