Access to real-time account information

Account holders have 24/7 access to:
- Account balances
- Claims processed
- Transaction details

Security is our priority

PayFlex® is able to provide you a secure mobile platform in which you may access your personal account information. Login information for the the HealthHub mobile app has the same secure credentials as our website.

Account alerts

Rely on the HealthHub mobile app to help keep your account active! You'll receive important account messages to let you know the status of your account and when action may be required.

Submit a claim right from your phone

Take "paperless" to the next level! The HealthHub mobile app allows you to submit a claim on the go. Using your phone, simply choose the expense type, the date and amount of your expense and attach your receipt…it's that easy!

Substantiate your card transactions

If your employer offers the PayFlex Card® , the HealthHub mobile app makes submitting your receipts effortless. If you receive a request to verify a purchase made with your PayFlex Card, use your phone's camera to take a picture of your receipt and upload it right from your device.

Benefit plan information when you need it

The HealthHub mobile app gives you access to relevant health plan information as well as a listing of eligible expenses so you can make informed healthcare decisions at the time of service.
