

FOOTHILL-DE ANZA COMMUNITY COLLEGE DISTRICT  
Office of Human Resources  
TB (TUBERCULOSIS) TEST FORM

Pursuant to Education Code Section §897408.6, all new employees (unless they have previously tested positive, followed by a negative chest x-ray) are required to have a PPD test and any follow up completed within sixty (60) days from the first day of service.

**THE CAMPUS HEALTH SERVICES OFFICE OFFERS THE PPD TEST FREE OF CHARGE.**

You may contact the Health Services office on either campus at:

**DE ANZA:** (408) 864-8732

**FOOTHILL:** (650) 949-7243

Those employees who test positive with a PPD must have a chest x-ray to rule out active TB. Employees will be referred by the Health Service Office to the appropriate medical facility.

Those employees who have tested positive previously are required to provide evidence of the positive PPD test followed by a negative chest x-ray. Such evidence shall be taken in person to the Campus Health Services Office.

**PLEASE TAKE THIS FORM WITH YOU WHEN YOU HAVE YOUR TB TEST TAKEN.**

<b><u>To be completed by Employee:</u></b>			
Last Name (Print)	First Name	Initial	Social Security Number
<b><u>To be completed by Health Care Provider</u></b>
