

Requesting and Receiving Accommodation(s) Under the Americans with Disabilities Act

4670

The Board of Trustees upholds that, for persons with disabilities, improving the access to educational and employment opportunities must be a priority. The Board of Trustees directs the administration to take the necessary actions to implement the requirements of the Americans with Disabilities Act and Section 504 of the Rehabilitation Act.

The Foothill-De Anza Community College District shall not discriminate against a qualified individual with a disability because of the disability with regard to employment or with regard to the provision of District programs, services, and activities.

A person who is otherwise qualified may request accommodation related to his/her disability, provided that the accommodation does not impose an undue hardship on the District. The procedures for requesting accommodation are maintained in the President's Office and the office of the ADA Coordinator on each campus and in the District Office.
