

EIS Core Committee

July 18, 2011 Meeting Notes

Attendees: Chien Shih, Drake Lewis, Cindy Castillo, Suzanne Pfeiffer, Bill Baldwin, Susan Malmgren, Hector Quinonez, Kathleen Moberg, Kurt Hueg, and Kari Elliott (note taker).

1. Oracle APEX Demo:
 - Used for applications hard to get from banner and can convert spreadsheets.
 - Aimed at programmers, not end users.
 - Define purpose and train ETS staff.
 - Still exploring.
2. District Security Process (apply & grant security):
 - Call Center will be point of contact; need to have process/procedure in place for Call Center to refer.
 - Process – web entry form which would go to security officer, then supervisor for approval, then team lead for approval and back to security officer to grant access.
 - Process would be automated.
 - Need to include process for terminating security access.
3. 3CBG Conference Discussion Topics:
 - Student Dashboard.
 - ARGOS Implementation – API.
 - Financial Aid Disbursement Panel Discussion.

Reminder:

We need to collect the conference attendee list, please provide your list and FOAP you would like to charge the \$50 registration fee to **Kari Elliott x 6917 (elliottkari@fhda.edu)** no later than **Monday, August 15, 2011**.

Take Away Items:

1. Team leads to review how Oracle APEX can help in their area.
2. Team leads to review District Security Process for further discussion.
