

ANNOUNCEMENT OF EMPLOYMENT OPPORTUNITY

De Anza College

Machine Tool Technician

Job #07-030

Closing Date: 08/25/06

The Foothill-De Anza Community College District is currently accepting applications for **Machine Tool Technician, Applied Technologies, De Anza College**.

DUTIES AND RESPONSIBILITIES OF THE POSITION INCLUDE:

Under the direction of the Dean, Applied Technologies and the Machining and Computer Numerical Control (MCNC) Department Coordinator, perform a variety of technical duties required to maintain college machine tools laboratories. Maintain inventory and issue laboratory supplies and equipment. Analyze and prioritize laboratory and faculty needs. Install, maintain, inspect, relocate, level, align and evaluate machine tools in the laboratory. Repair, upgrade, and manufacture basic repair parts for machine tools as necessary. Design, construct and maintain visual aids for classroom and laboratory use. Setup and maintain computer-aided machine tools and computer lab equipment as directed. Prepare and submit purchase requisitions. Maintain inventory of equipment and supplies. Assure proper storage of equipment and hazardous waste materials. Maintain haz-mat records in compliance with OSHA requirements. Administer a variety of records related to Applied Technologies including material and equipment records. Maintain and upgrade computers and related software, hardware and peripheral equipment. Operate a variety of machine tools including lathes, mills, CNC machines, welding machines, grinders and other equipment. Provide information to students, faculty and staff. Assist and monitor students in the laboratory. Provide assistance with the annual budget preparation. Perform related duties as assigned.

MINIMUM QUALIFICATIONS:

1. Understanding of, sensitivity to, and respect for the diverse academic, socio-economic, ethnic, cultural, disability, religious background and sexual orientation of community college students, faculty and staff.
2. Any combination equivalent to an Associate's degree in machine tool technology or related field.
3. Two years experience as a machine tool technician or related instructional laboratory experience.

PREFERRED QUALIFICATIONS:

1. Knowledge of the technical aspects of the machine tool field.
2. Knowledge of machinist methods at the journey-level.
3. Knowledge of machine tools, equipment, materials and supplies.

4. Knowledge of machine tool laboratory techniques and procedures.
5. Ability to use interpersonal skills with tact, patience and courtesy.
6. Ability to understand and follow oral and written instructions.
7. Ability to setup, maintain, repair, and operate conventional and computer-aided machine tools.
8. Ability to setup and maintain a computer lab; connect computers and peripherals to a network, install software, troubleshoot and replace computer components, and setup student accounts.
9. Ability to operate a computer and use software such as Word and Excel.
10. Ability to maintain an Internet web site.
11. Ability to meet schedules and timelines.
12. Ability to properly handle hazardous materials and maintain haz-mat log books per OSHA regulations.
13. Ability to maintain inventory and issue laboratory supplies and equipment.
14. Ability to establish and maintain cooperative and effective working relationships with others.
15. Ability to design, manufacture and maintain visual aids for instructional use.
16. Ability to communicate effectively both orally and in writing.

APPLICATION MATERIALS:

1. A District application to be completed at www.fhdajobs.net (a paper application is available by visiting www.fhda.edu or by contacting Employment Services).
2. Resume of all work experience, formal education and training.
3. Cover letter addressing your qualifications for the position of Machine Tool Technician.
4. A separate document providing information which demonstrates your understanding of, sensitivity to, and respect for the diverse academic, socio-economic, ethnic, cultural, disability, religious background and sexual orientation of community college students, faculty and staff.

Incomplete application packets will not be forwarded to the search committee for review.

Application materials become the property of the District and will not be returned.
